

## Resources for Academic/Other Job Searches

The following web sites list faculty openings in higher education:

**MLA Job Information List:** Will list teaching positions mostly in four-year institutions, with some attention given to two-year institutions. Go to [www.ade.org](http://www.ade.org), navigate to Job Information List, then enter MSU's user ID and password: 4634 / 230ah.

**The Chronicle of Higher Education:** Ditto the above. Free access via [chronicle.com](http://chronicle.com), then navigate to Careers.

**Higherjobs.com:** Ditto the above. Free access via [higherjobs.com](http://higherjobs.com), then navigate to Faculty positions.

**AWP Job List:** Ditto the above, with some attention to editing openings as well. Available only to MFA students with their personalized user IDs and passwords.

**TESOL:** Will list openings related to teaching English to non-native speakers.

**Note about community college openings:** These positions tend to be advertised locally, i.e. not through the above resources but rather through newspaper listings or system web sites, such as [mnsu.edu](http://mnsu.edu) or the similar web site for the Wisconsin system.
