How do I get started?

1. **Reflect:** Reflect on what you've accomplished in school and in your career, and how it fits with your goals.
2. **Collect:** Collect the information for your electronic portfolio.
3. **Select:** Select those documents that are most pertinent to your goals and keep them handy as you work on your electronic portfolio.
4. **Build:** Build your site using the electronic portfolio tool.
5. **Publish:** Publish your portfolio. You can let others read all, or parts of, your site. Targeting is helpful if you have multiple skills and are open to a number of different employment options.

What do I include?
